Responsive to the telephone interview dated August 3, 2009, Applicant remarks as follows:

### **REMARKS**

Applicant expresses appreciation for the telephone interview on August 3, 2009 between Examiner RoDee and attorney James Lake. The parties discussed clarification of the rejection regarding alleged lack of support for enhanced chargeability of particles that are unchargeable by the charge director. The parties also discussed apparent support for some of the lesser included chargeability ranges in the dependent claims with regard

to weakly chargeable particles only. No agreement was reached regarding any change in the present claim rejection.

Respectfully submitted,

Dated: August 19, 2009
